Campers who don't want to be on stage can get involved by helping with set, costumes and stage managing. Showtime will be on Departure day at 11 AM, details to come.

The Return of Flaco's Flaming Arcade!

For our first Sunday afternoon activity we brought back an old favorite, Flaco's Flaming Arcade. Classic arcade games broke free from their machine and campers played life-sized versions all over camp. Some of the games were Space Invaders, Frogger, Tetris, Whack-A-Mole and The Claw which was recreated on our high ropes course! A great afternoon!

YouTube Videos

In addition to daily photos, our incredible Video Lab Team make longer weekly videos that we upload to YouTube. We just made our Session 2, Week 1 video live - check it out! Don't forget we also post shorter clips and videos on our TikTok and Instagram, links at the bottom of the page.

Custom Treehouse Coming 2024!

We recently announced that this fall we are starting work on a real treehouse that will overlook the lake. Check out some of the prior projects of The Treehouse Guys! Next summer it will be used for bunk sleep outs and other special moments!

LIT Trip!

The LITs (Leader's in Training) recently returned from a trip to one of the Dartmouth cabins near Hanover, NH for two nights. They hiked, cooked together and took time to bond as leaders. As an added bonus they also got to go to Hampton Beach for their very own Beach Day! [Click here](#) for more photos from the trip.

Upcoming At Camp!

Session 2 has been incredible so far, here are some of the fun things coming up:

- The 8th/9th grade overnight whitewater rafting trip to Maine!
- Changeover Day! We say goodbye to our mini-session 2 campers and cannot wait to welcome our mini-session 2B campers for the rest of the summer.
- Here are a few evening activities coming up for this week:
 - Hotrodicus Supersonicus, a notorious and incredibly fun game,
 - Amazing Race,
 - Choose Your Own Adventure.

Also, we have a very special surprise coming for the campers here next week...We can't give it away, but suffice it to say there will be some excitement around the corner.
